TERMS OF THIS PUBLIC AUCTION SALE

This is a public Auction sale and bidders unknown to me are requested to give bank or other reliable reference or their bids cannot be executed. Or otherwise kindly forward in advance remittance of 25% of the amount of your bids. Auction sales are strictly for cash. Your bids are as binding as any contract, so do not bid unless you are sure you can pay for what you bid on. No claims will be allowed unless same are made promptly. The cataloguer has endeavored to describe all coins fairly and to mention any defects.

NOTE:—Dealers' bills must be paid promptly within 10 days from receipt of purchases.

Coins and medals, &c., are sold at so much per piece. If there are 3 pieces in a lot and you wish to bid $4.50 for the lot then bid $1.50 for each piece &c. No lots split up. Lots must be purchased entire as they are and no piece sold out of a lot. A 5 percent charge will be made for packing & shipping on any coins purchased. Send your remittance by money order New York or Boston draft as checks sent by parties unknown to me would have to be verified.

Send in your bids on receipt of catalogue as many bids have to be entered and it is always to the advantage of the bidder to send his bid in at once. In my last sale some bids came in too late and could not be executed.

Do not bid less than the bullion value of silver and gold coins. A silver coin is always worth its bullion value and considerable over this as a rule, and gold coins dollar for dollar. All coins are guaranteed genuine in this sale.

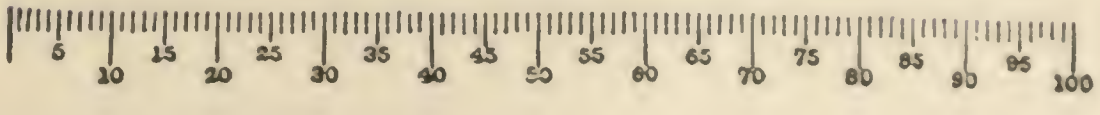
Are given in the scale of Millimeters. Take any coin or medal you may have and you can readily tell the size of any piece mentioned in this sale.

SIZES OF COINS AND MEDALS.

In this Catalogue given in Millimetres.



COLLECTIONS OR DUPLICATES OF COLLECTORS SOLICITED FOR SALE AT PUBLIC AUCTION

In this sale is offered the following varied and very interesting material.

A specially choice lot of Bryan Money very popular now and constantly rising in value.

The largest lot of United States Bills that I have ever offered in any of my sales. The large bills are now fast going out of circulation and will appreciate by leaps and bounds.

The largest collection of Continental Paper Money that I have ever offered. A subject which collectors are now specially interested in.

The largest collection of United States Broken Bank Bills ever offered in this country. There are more specialists in this series than any other to-day. There are notes in this lot, that the average collector never knew existed. The labor of over thirty years of ardent work by Mr. Allen.

An 1826 Five Dollar Gold Piece in extremely fine condition. Of excessive rarity, not many collections possess it.

A priced list of this sale will be furnished for two dollars Cash with order. As I will only have printed the number I have Cash remittances for.

I will not accept any bids from anyone unless satisfactory references are furnished this is final. Do not send bids at the last moment with references as it is impossible to get such information. Send Cash remittance of 25% of the amount of your bids and comply with the conditions of the sale.

My mailing list contains over 1000 active collectors. There will be distributed 1500 catalogues. My business has been established over 25 years and am ready to sell collections large or small. Terms on application.

Send in your bids at once, do not wait. Bids are apt to arrive too late or be overlooked if sent at the last moment. Be sure to bid on the right lot and read the catalogue and conditions carefully when making your bids.

Be sure to bid on each lot at so much per piece and not for the lot, if there is more than one piece in the lot or will be compelled to refuse all such bids sent. Be sure to take a copy of your bids and be sure to sign your name to your order, do this first. I get many unsigned orders.

Write down the right number you intend to bid on as I will not hold myself accountable for such errors and will be compelled to hold you responsible for your errors. Remember the coins I am selling are the property of others and I have to make an accounting to them.

Send in your bids at once if you want the best service. Many times if an error is made it gives me an opportunity to write the collector and check up on his bids. Thanking you for past patronage.

WILLIAM HESSLEIN
